

**TOWN OF EAU GALLE**  
**Eau Galle, Wisconsin 54737**  
**Resolution 102**  
**May 13, 1996**

Resolved: In accordance with Wisconsin Statutes, Section 60.55 and Section 60.557 giving Town Boards authority to fund fire protection, The Board of the Town of Eau Galle will seek reimbursement of individual fire department service charges in addition to the taxes collected to support the fire department's regular operating expenses. In seeking reimbursement the following guidelines will be adhered to:

- (a) In the event of nonpayment the fire call charge will be added as a special assessment to the property owner's real estate taxes.
- (b) There will be no exceptions, such as lack of insurance, to the above.
- (c) If there is a vehicular accident involving a fire call, the town will seek reimbursement from the owner(s) of said vehicle(s).
- (d) If a person engages in any burning without first notifying the fire chief and another person calls out the fire department, the person who caused the burning is liable for the fire call charges.
